- certificate of passing an examination in Czech at minimally a B2 level according to the "Common European Framework of Reference for Languages" at the Department of Languages FCE CTU in Prague or at the Institute for Language and Preparatory Studies CharlesUniversity.

G. One of the following documents, proving the passing of an examination in English in accordance with the Conditions for Admission to Study (Dean's Regulation No. 12/2018, par. e)
- applies to applicants applying for studies in English:

- certificate of graduation from a Master's degree programme taught in English
- certificate of passing the school leaving or state examination in English
- certificate of passing an examination in English at minimally a B2 level according to the "Common European Framework of Reference for Languages" at the Department of Languages FCE CTU in Prague or at the Institute for Language and Preparatory Studies CharlesUniversity.

6 Application submission procedure

6.1 Prior to submitting an application, the dissertation framework topic, the Supervisor and the corresponding Training Workplace (Department) must be chosen.

6.2 Fill in and print out the CTU electronic application at: prihlaska.cvut.cz. Hand in the printed application form, confirmed by the Head of the Training Department and the Supervisor, including all attachments, at the Department of Science and Research – see Art. 3.

6.3 The fee for the acts related to the admissions proceedings is CZK 950,- and is paid within the electronic application filling procedure either by card through a payment gateway or by a CTU card. After the application has been registered at the Faculty, the administration fee is not refundable.

6.4 The application will be accepted for the admissions proceedings if the above points 6.1., 6.2 and 6.3 have been complied with by a specified date.

7 Course of admissions proceedings

- 7.1 The Department of Science and Research hands in the registered applications to the Branch Board Chairpersons of the respective study programmes by the specified date (Art. 3 of this Directive). At the same time, it forwards the lists of students including the study programme and the required type of study to the Heads of individual Training Departments. The Head of the Training Department, together with the Supervisors, considers them.
- 7.2 The Admissions Proceedings Board will review all applicants' materials. The applicants may be invited by the Branch Board Chairpersons to attend the entrance examination in person or be invited to a distance interview. If more than one candidate applies for a respective framework topic, the Board must rank the candidates based on the materials received and potential oral interviews. Pursuant to the CTU Study and Examination Code, Art. 23, the Supervisor participates in the admissions proceedings and has the right of veto.
- 7.3 The Branch Board Chairperson (in his/her absence, the Examination Board Chairperson) draws up the "Admissions Proceedings Protocol" on the course of the admissions proceedings".
- 7.4 The Examination Board may decide on the result of the entrance examination without the applicant's presence. This fact is noted in the Protocol in the "Entrance Examination Course" section.
- 7.5 The Faculty sends the Dean's decision on admission/non-admission for studies to the applicants by registered letter to their own hands no later than 30 days after the entrance examination date. The applicant may apply for a review of this decision. The written application shall be submitted to the CTU Rector via the Department of Science and Research within 30 days from the date of the receipt of the decision.
